

"Here's What I Think of You" - Scoresheet

Directions: Note the listing of the Spiritual Gifts in the far left column. Tally the ten marked choices and the top three listed choices and compare with the Gifts that relate to those choices made. Use these results to see if people experience the same Gifts that you see in yourself.

Use this new information as you continue the sober estimation process of understanding how God supernaturally empowers you. Take this new information and compare it to your self-scoring Gifts inventory which you took as part of the Grip-Birkman online process. If you feel, after further reflection, that changes to the order of your Gifts may be necessary, please make those adjustments in your ranking.
